Ekoh

(reserved)

Rodney,

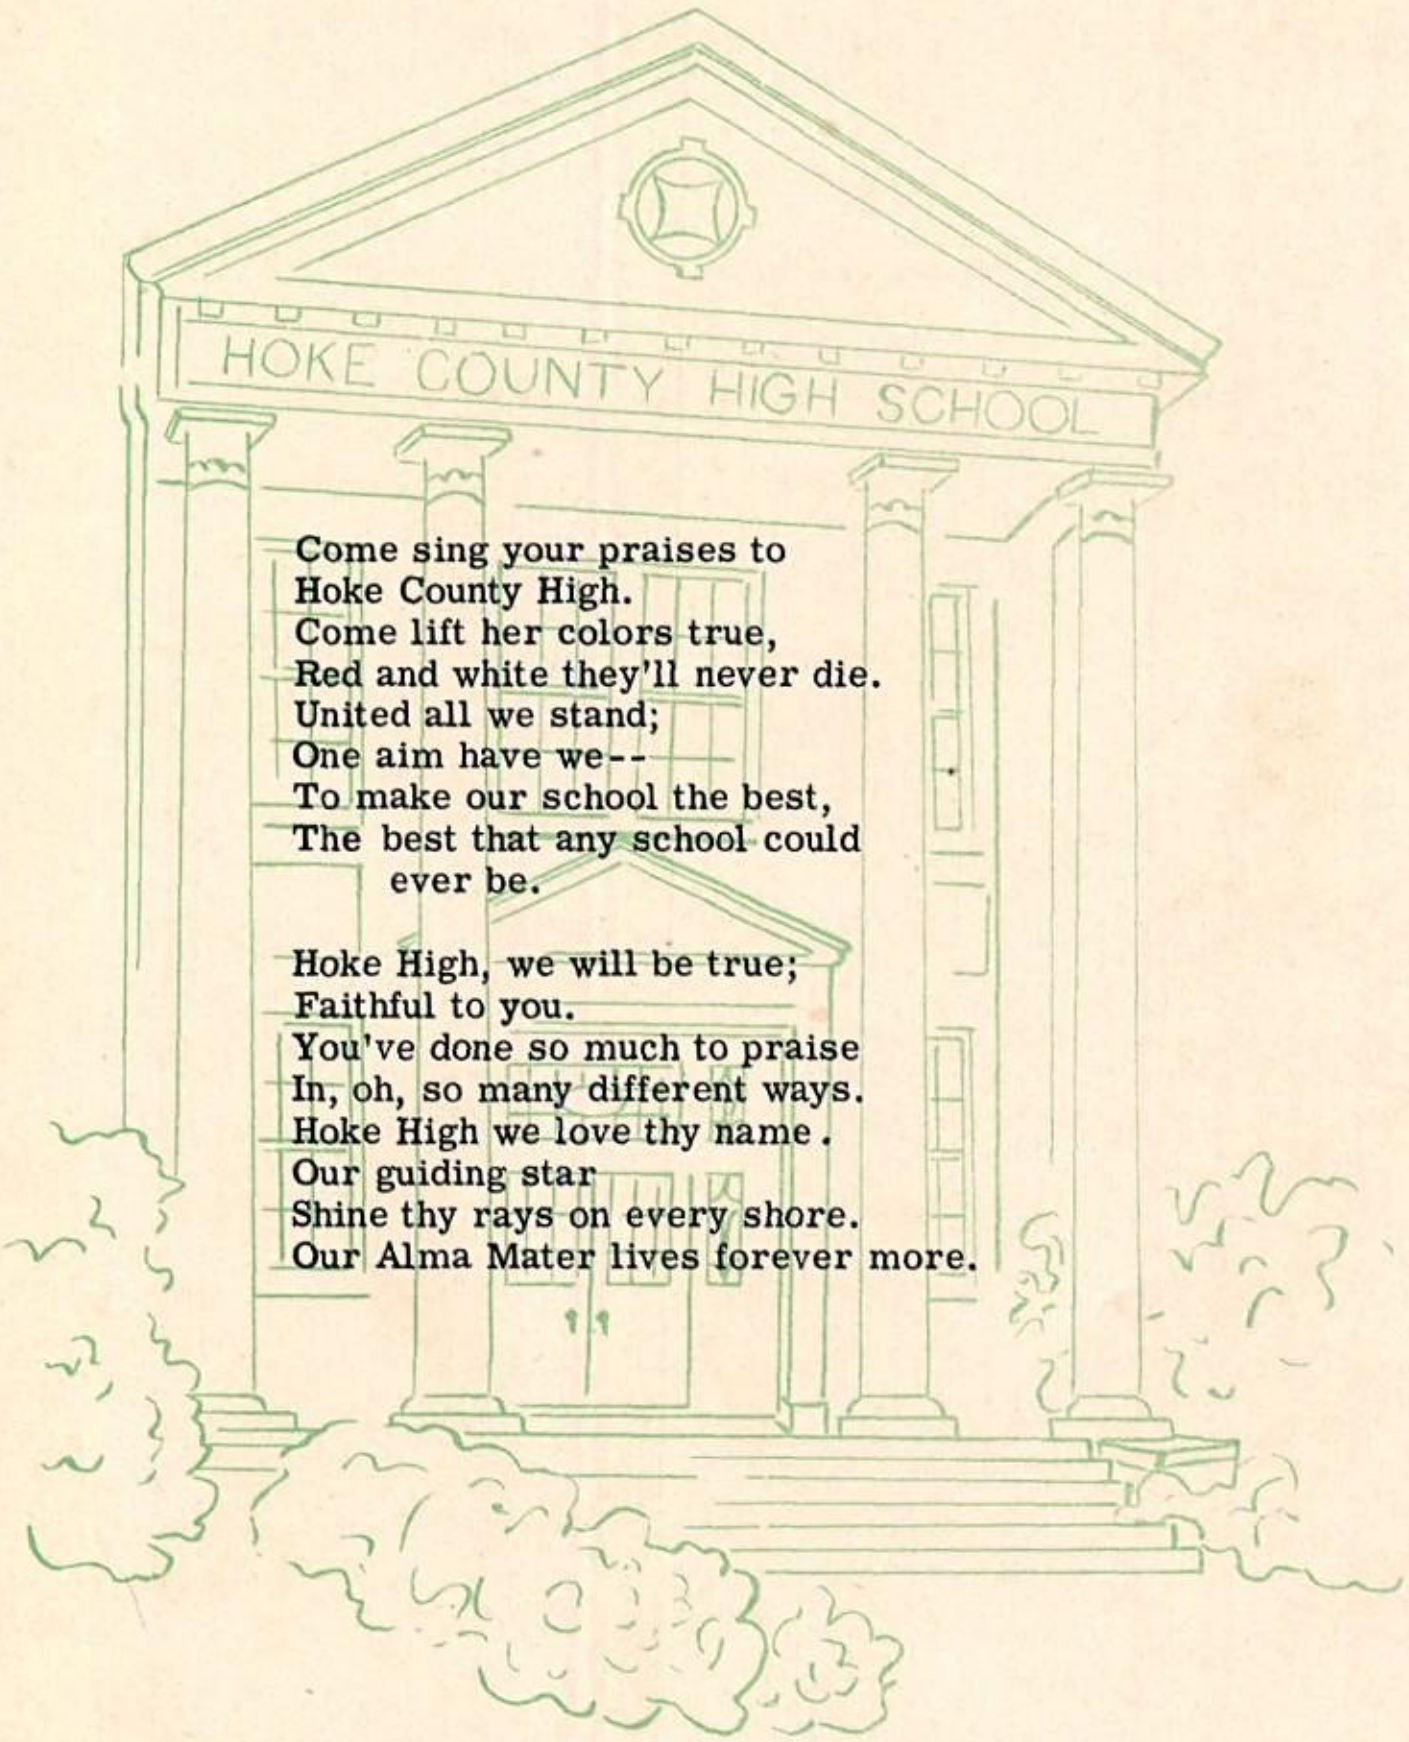
I don't hardly know where to start or what to say!!! No, really I have enjoyed knowing you these last months. I had heard so much about Rodney Pickler before I met you. I just couldn't believe anyone could be like that, but I must say you measured up to all of it!! (Good of course)

Rodney, remember all the times at the Clam Box. We really had a time up there. Remember the time we talked about you going in the "Navy" I never thought you would do it, but ------

Remember the night Betty had the party and you and Ben came walking in just as everybody else was leaving. I guess that was just natural for you and Ben, you should have come earlier we had a lot of fun!!!

Rodney I think you are a real nice guy and I have really enjoyed all the good times we have had together!!!! I want to wish you the best of luck in your coming future. Behave and take care of yourself.

Your Friend,
Tina



Come sing your praises to
Hoke County High.
Come lift her colors true,
Red and white they'll never die.
United all we stand;
One aim have we--
To make our school the best,
The best that any school could
ever be.

Hoke High, we will be true;
Faithful to you.
You've done so much to praise
In, oh, so many different ways.
Hoke High we love thy name.
Our guiding star
Shine thy rays on every shore.
Our Alma Mater lives forever more.

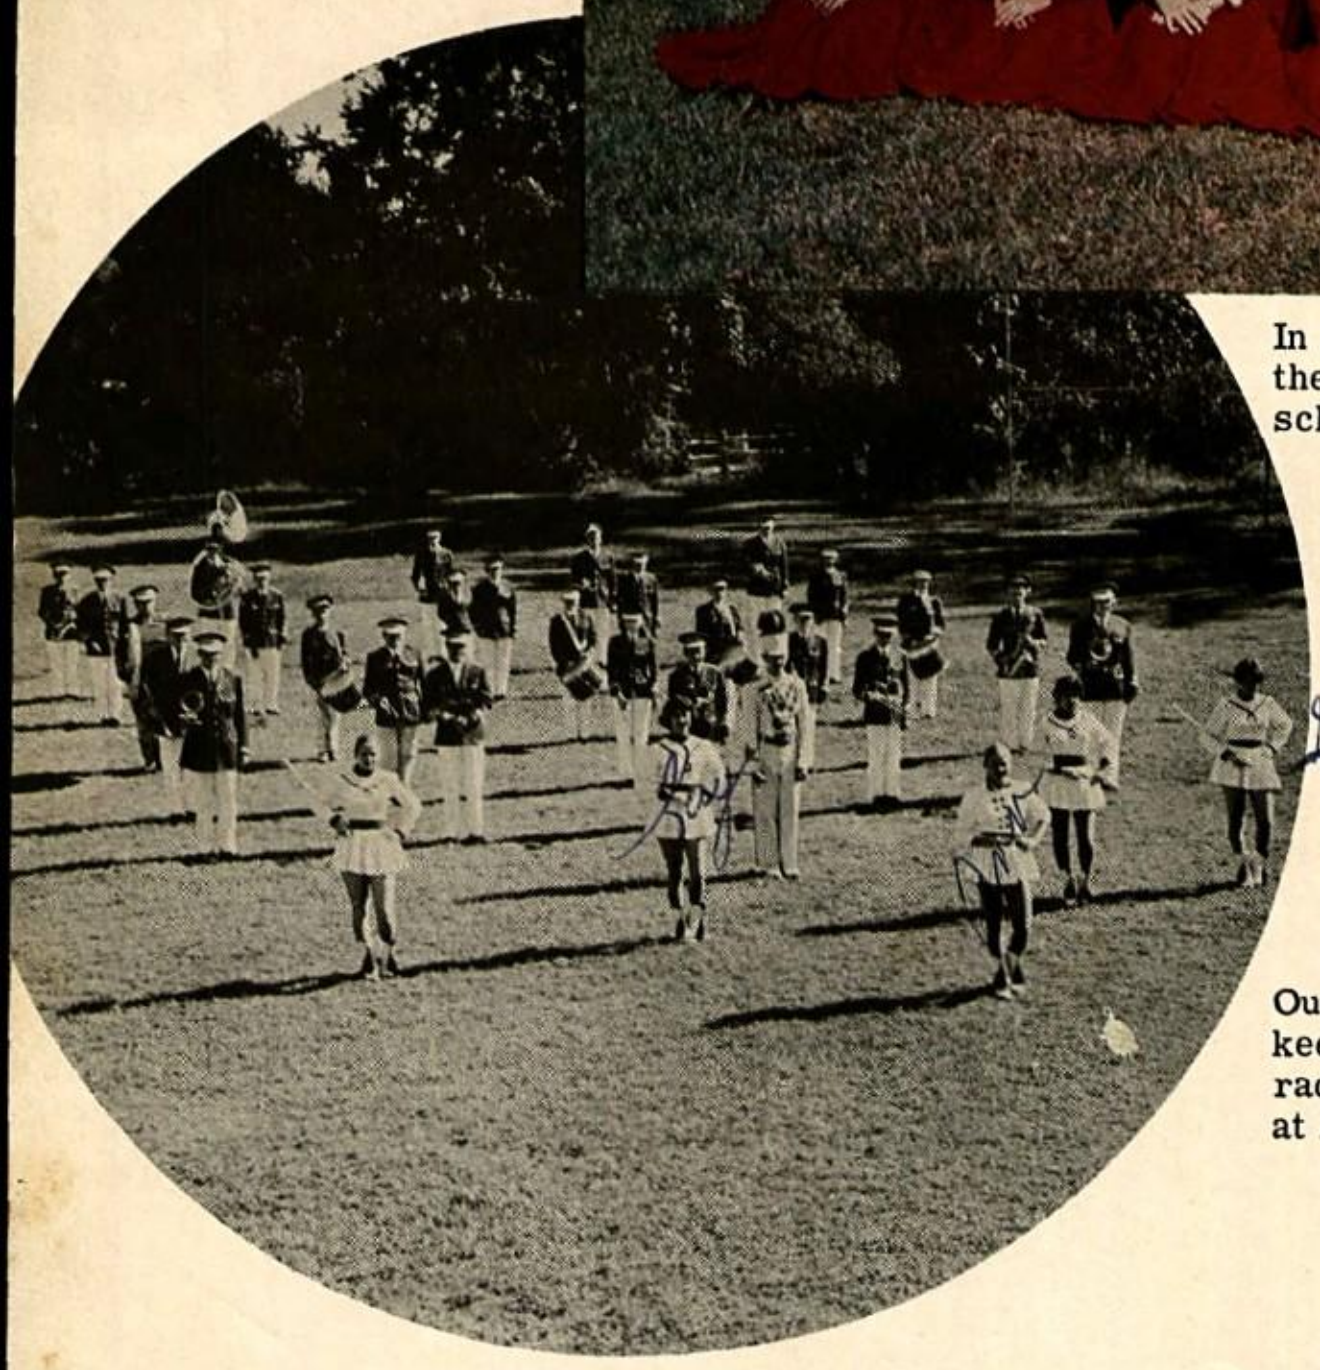
Foreword

Through the years happy voices have sung the thrilling phrases of our school song. What more suitable theme could we choose for the 1959 EKOH than the words of our Alma Mater? For those of us who have made the history of this year, each word binds us close in friendship to each other and in love for our school. In some distant future, when the scenes depicted here become a part of the dim past, turn these pages and once again "sing your praises" and recall your happy high school days.

COME SING YOUR PRAISES TO *Hoke County High*

"COME LIFT HER COLORS TRUE...

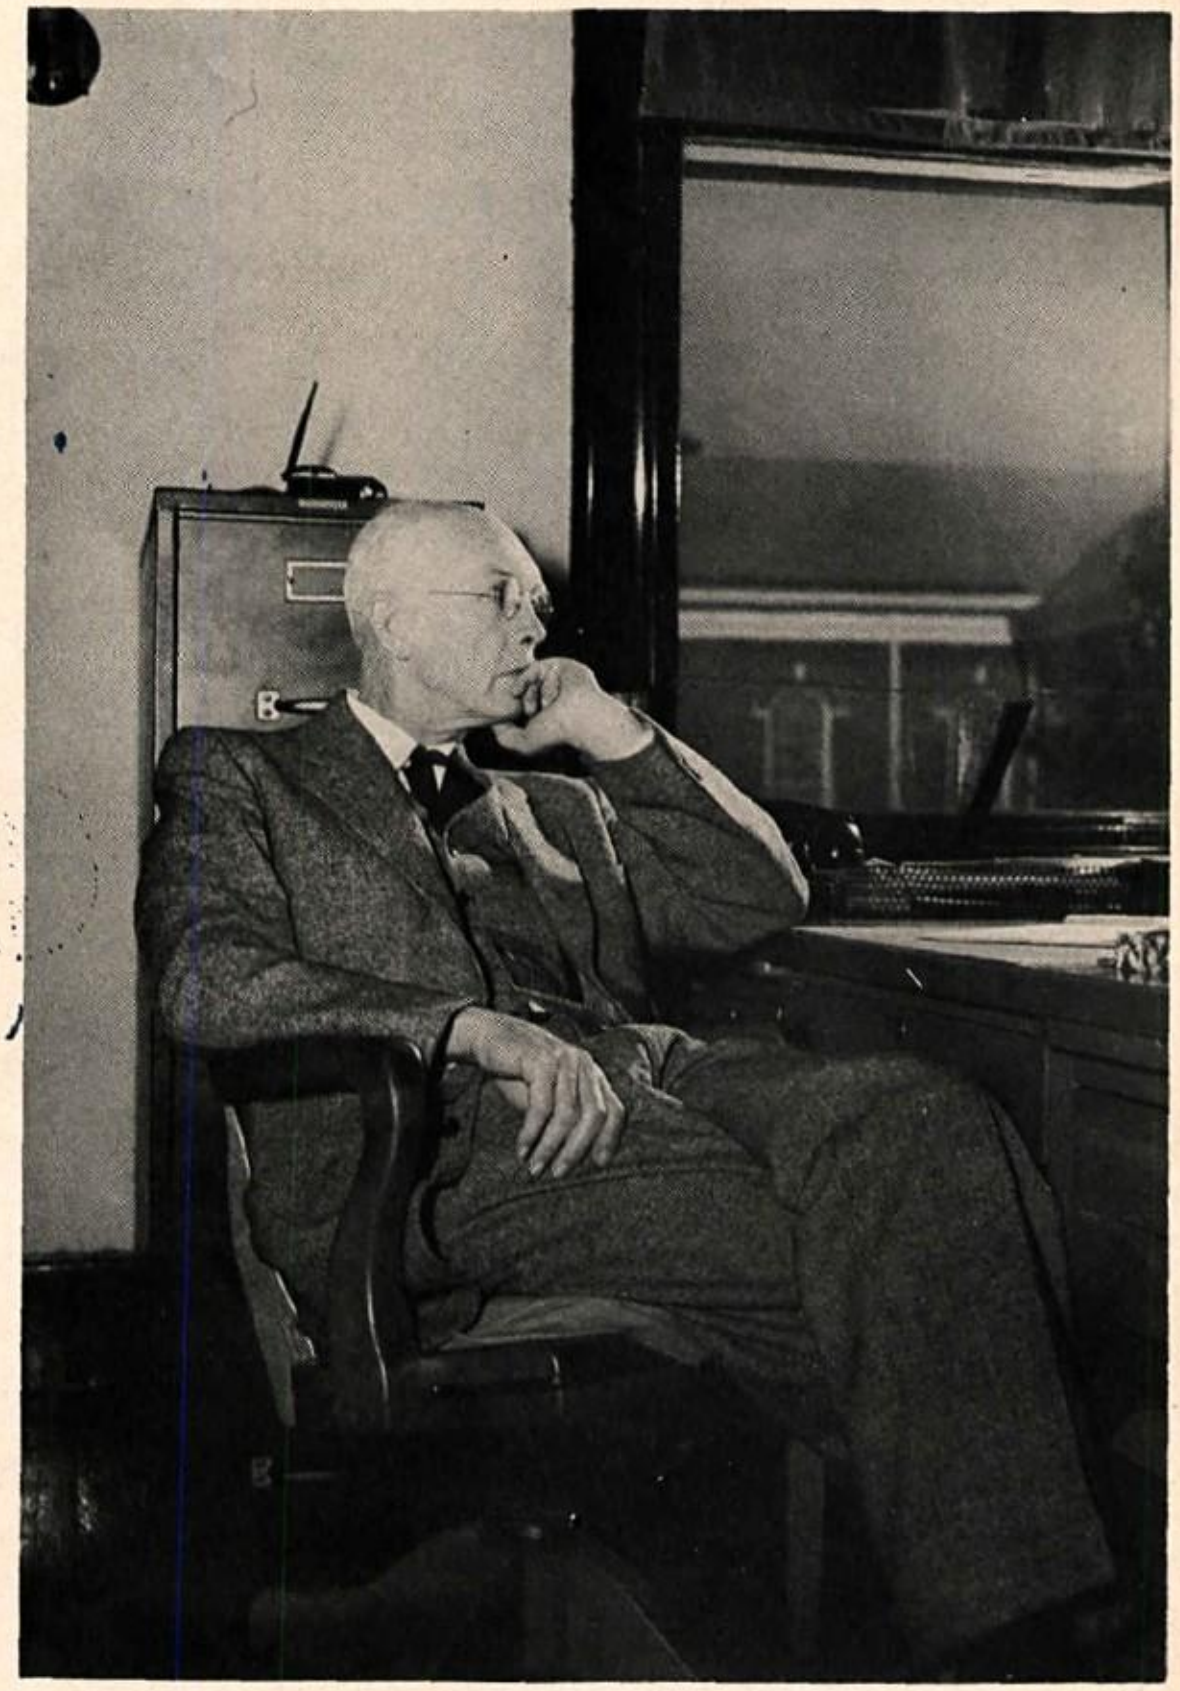
In red and white, our "colors true," the cheerleaders symbolize for us our school spirit.



Our marching band! What a thrill to keep step with the lively music in parades, or to watch their performance at half-time on the football field.

RED AND WHITE THEY'LL NEVER DIE..."

Dedication



To MR. K. A. MacDONALD

Because of his forty-one years of devoted and faithful service to youth as an educator, and because of our sincere gratitude to him for his constant interest in the youth of Hoke County since 1935 when he assumed his duties as Superintendent of Public Instruction, we dedicate to him the 1959 EKOH. May his future years be filled with the happiness that comes from the realization of a task well done.

"UNITED ALL WE STAND...

"ONE AIM HAVE WE...

What fun we had decorating the gym and anticipating the Junior-Senior prom.

Do you remember? We were ready to sing at commencement.

Happy or sad? We can't decide.

Photography managers, Billy Shankle and Mary Elizabeth Hiser, assist Mrs. McLean, advisor and photographer.

Typists, Sadie Chambers and Edna Wilkerson, hard at work on copy.
